

ICCRTMST 2K25

No of Participants: 46 (Poster and Paper - Online)					
Paper presentation (online)					
Joseph	Scott Christian college	Paper Presentation	Evaluating the Combined Effects of Plant Protein and Vitamin B Complex in Bombyx mori	livingston19999@gmail.com	First
Rudra Narayan Saha	Dr B R Ambedkar National Institute of Technology, Jalandhar	Paper Presentation	Impact of braiding parameters on physical properties of braided structure	rudenarayansaha37469@gmail.com	second
Manas Datta Roy	Dr B R Ambedkar National Institute of Technology, Jalandhar	Paper Presentation	Impact of braiding parameters on physical properties of braided structure	rudenarayansaha37469@gmail.com	
Subrata Ghosh	Dr B R Ambedkar National Institute of Technology, Jalandhar	Paper Presentation	Impact of braiding parameters on physical properties of braided structure	rudenarayansaha37469@gmail.com	
Samir Sarkar	Cooch Behar Panchanan Barma University	Paper Presentation	New class of anisotropic charged strange quark star in Durgapal IV metric and its maximum mass	sarkarsamir68@gmail.com	Third
Dr. Simi, Associate Professor	Government Ayurveda College, Trivandrum	Paper Presentation	Bioinformatics-Based Analysis of Panchakarma Detoxification: Exploring Molecular and Genetic Correlates	simisreehari@gmail.com	

[Type text]

ICCRTMST 2K25

			of Ayurvedic Rejuvenatio n		
Poster Presentation (Online)					
Zara Siddiqui	Aligarh Muslim University , Aligarh 202002, India	Poster presentation	Synthesis and spectrophotometric study of charge transfer complex and explaining it's application.	siddiquizara277@gmail.com	First
Dr. Ishaat M. Khan	Aligarh Muslim University , Aligarh 202002, India	Poster presentation	Synthesis and spectrophotometric study of charge transfer complex and explaining it's application.	siddiquizara277@gmail.com	
Mohd. Anas	Aligarh Muslim University , Aligarh	Poster Presentation	Integrated spectroscopic, computational, and biological evaluation of an imidazole–tartaric acid charge transfer complex synthesized in polar solvents	anaschem7@gmail.com	First
J Aldam Jeffron	St. Joseph's College of Engineering, Chennai.	Poster Presentation	Khel Scout: An AI-Powered Platform for Inclusive Sports Talent Identification in India	jeffron2006@gmail.com	Second

ICCRTMST 2K25

Geoffrey Jabez	St. Joseph's College of Engineering, Chennai.	Poster Presentation	Khel Scout: An AI-Powered Platform for Inclusive Sports Talent Identification in India	geoffreyjabez.175@gmail.com	
Abishek Joel E	St. Joseph's College of Engineering, Chennai.	Poster Presentation	Khel Scout: An AI-Powered Platform for Inclusive Sports Talent Identification in India	ej281@gmail.com	
I. Domilini Shyni	St. Joseph's College of Engineering, Chennai.	Poster Presentation	Khel Scout: An AI-Powered Platform for Inclusive Sports Talent Identification in India	dshyni@gmail.com	
Md. Uvesh	Aligarh Muslim University, Aligarh	Paper Presentation	Structural and Electronic Characterization of 2-Amino-4,6-dichloropyridine via DFT, Molecular Docking, and Nonlinear Optical Analysis.	mduvesh843@gmail.com	Third
Dr. Saleem Javed	Aligarh Muslim University, Aligarh	Paper Presentation	Structural and Electronic Characterization of 2-Amino-4,6-dichloropyridine via DFT, Molecular Docking, and Nonlinear Optical Analysis.	mduvesh843@gmail.com	

ICCRTMST 2K25

No of Participants: 26 (Poster and Paper - Offline)				
Paper presentation (Offline)				
Aslin Sharmi T	Joy University, Tirunelveli,	Paper Presentation	Recent Advances in Nano engineered Surface Modifications of Titanium Based Implants for Enhanced Osseo integration, Corrosion Resistance, and Bioactivity	First
Ishwarya J	Dr. Sivathi Aditanar College of Engineering	Paper Presentation	Revolutionizing Sea Transmission for Secure and Lossless Maritime Connectivity	Second
Prabha A	Dr. Sivathi Aditanar College of Engineering	Paper Presentation	Revolutionizing Sea Transmission for Secure and Lossless Maritime Connectivity	
Seeniammal Snega S	Dr. Sivathi Aditanar College of Engineering	Paper Presentation	Revolutionizing Sea Transmission for Secure and Lossless Maritime Connectivity	
Dr. Beno A	Dr. Sivathi Aditanar College of Engineering	Paper Presentation	Revolutionizing Sea Transmission for Secure and Lossless Maritime Connectivity	
Shivam	Joy University, Tirunelveli,	Paper Presentation	Medical, Health and Biological Sciences	Third
Poster Presentation (Offline)				
Mukesh	JOY UNIVERSITY, Vadakkankulam	Poster presentation	Mind Over Machine	First
D. Daphny	Rohini College of Engineering and Technology	Poster presentation		Second
Babisha . S	Women's Christian College	Poster presentation	Carbon Sequestration Technologies using silica Material	Third

[Type text]

ICCRTMST 2K25

Video Presentation				
DAKSHIN SUBHESH V S	NOORUL ISLAM CENTRE FOR HIGHER EDUCATION	Video Presentation	Renewable Energy from Everyday Waste: A Sustainable Path to a Cleaner Future	First
A.Annie Jose	Research Scholar Manonmaniam Sundarnar University, Tirunelveli	Video Presentation	Beneath the layer Discovering ground with through the eyes of machine learning	Second
D. Daphny	Rohini College of Engineering and Technology	Video Presentation	Cybersecurity in the digital age	Third
